

Our summer horsemanship program was established in 2000 and continues to offer a rewarding experience for children and teens in the area. The program runs Monday through Friday from 8AM to 2PM and aftercare is available should a child need to stay past 2PM. Children and teens will learn about horse care and riding with specific emphasis on thoroughbred aftercare, including grooming, tacking, riding, cool down, stable management and more. For all skill levels, beginner through advanced, this program is designed for children and teens who love horses and want to learn more!

Join us for the 19th annual summer fun horsemanship program at the barn!

Who We Are

About Us

The mission of Second Chance Thoroughbreds, Inc. is to provide Off the Track Thoroughbreds (OTTBs) with a soft landing after the end of their racing careers by giving them ample rehabilitation and retraining, transitioning them to a new career. Thoroughbreds are known for their athleticism, heart and desire to please. Ride an OTTB today!

Lesson and Summer Riding Program

We offer year-round lessons, and a summer horsemanship program

Lessons:

Our lesson program focuses on English riding technique on seasoned lesson horses including some of our thoroughbreds. Lessons are available to children and adults ages 5+, from beginners to those already jumping and competing successfully. Lessons are offered year-round, seven days a week between the hours of 8AM and 4PM. Please call or email us if you or someone you know is interested in taking lessons!

Costs:

\$30/hour lesson
\$125/five lessons
