

SECOND CHANCE THOROUGHBREDS PRESENTS:

DAVID KENDRICK RIDING CLINIC

David Kendrick has 37 years of riding experience and comes to us from Kendrick Show Stable. He is known for sticking to the roots of classical riding. David has worked with countless, reputable trainers, but most notably has many hours devoted to learning from classic, iconic horsemen such as THE George Morris and Bert DeNemethy. David joined the professional ranks as a teenager, when he worked as a catch rider in the jumper divisions and also rode some nicer hunters. From there, he built his business riding and training green horses to those competing at the Grand Prix level. He enjoys teaching the timid amateur as well as the focused pro.

Riders will be placed in small groups by skill level and each session will run approximately 1 ½ - 2 hours. Cost is \$115.
