Second Chance Thoroughbreds Adoption Updates: [Stallone & Moses Supposes](#)

Pictured above are two SCT alumni with their lovely adopter. “Stallone” (left) came to us in early 2021 when he was spotted in a high risk online sales ad. “Mosey” (right) was pulled from Unadilla Livestock Auction in November of 2021. We are happy to report that these two deserving boys are well loved and thriving.

New face(s) in town: [Rocket Reign, Bourbon Twist and Classical Fashion](#)

SCT is pleased to welcome three beautiful new OTTB's. Rocket Reign “Rocky”, was donated by his breeder. Recently retired broodmares Bourbon Twist “Twist” and Classical Fashion “Prada” were also donated. We always appreciate owners/breeders/trainers who make the responsible decision to donate their horses to a reputable aftercare program. So far, these three are settling in well and seem to have great potential. The two retired broodmares, “Twist” and “Prada” are eligible for the 2RRP Broodmare division!
